COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Joanne Sturges, Executive Officer

383 Kenneth Hahn Hall of Administration

Chief Administrative Officer
Auditor-Controller

At its meeting held April 9, 1996, the Board took the following action:

14

Supervisor Yaroslavsky made the following statement:

"The State Auditor published a report last week entitled, 'Los Angeles County: Balanced Budgets Will Be a Continuing Challenge'. The report makes six recommendations that the State Auditor declares will ensure achievement of a balanced budget for the current and future fiscal years. The Board is already pursuing most of the State Auditor's recommendations to varying degrees within the County government such as limitations on salary and hiring, securing the Medicaid Section 1115 waiver, departmental spending reductions and long term planning. However, the State Auditor's findings regarding the utilization and administration of overtime indicate that the County could make improvements in the management, control and utilization of this facet of the County's labor costs."

Therefore, on motion of Supervisor Yaroslavsky, seconded by Supervisor Antonovich, unanimously carried (Supervisor Molina being absent), the Chief Administrative Officer and the Auditor-Controller were instructed to review the findings and recommendation of the State Auditor regarding overtime that were published in the report entitled, "Los Angeles County: Balanced Budgets Will Be a Continuing Challenge"; and to return to the Board within 60 days with recommended policy and control procedures to ensure that all departments effectively and efficiently regulate the authorization and utilization of overtime.
